- 9/13 minutes and 9/26 minutes –motion to accept Mike-seconded Brian, all in favor
- Feedback on Gordon-
 - Got some info on setting up a program
 - Wellesley can be model for our goal
 - Our town is half the size, so can aim for half the profits/half costs
- Need to have numbers to prove feasibility of increased profits at TS
- Could go to selectmen and to town meeting to create new position
 - Could new position be based on rewards?
- Gene sent a summary email to Paul about our meeting with Gordon
- Does Paul want to have someone else run the Recycling Center and Transfer Station?
- **Ask Paul to come to a meeting with recycling committee. Katie will send a letter to him:
 - Ask him to come to join in a collaborative effort
 - Discuss his vision of recycling in Kingston
 - We have ideas and we would like to work together to alleviate workload
 - Ideas for different enhancements at the TS
 - We apologize for the miscommunication of the last meeting, we would like to meet with you for one hour at your convenience
 - Any of the following dates: Nov 13-after 7, Nov 20 after 7, any Friday after 5:30 –we'd all like to be there
- Have another meeting for short-term goals
